TO BE CONTINUED IN CHAPTER 100: THE FLAME'S AROMA

And with that, we are now caught up with the Fire Brigade of Flames manga- just in time for the 100th chapter.

I want to give a huge, huge thanks to my team. Sorry if it sounds cheesy, but this really wouldn't have been possible without them and I am so happy that we can consistently push out chapters now. I love this series very much.

With the cheese out the way, I want to urge you guys to consider getting the official volumes of the manga. Mangaka's work extremely hard on their craft and they deserve as much credit as they can get, and as some of us know, the anime and manga industry isn't as giving and rewarding as it could be.

I hope to see this series grow (WHERE'S THAT ANIME AT THO D;) but that's only going to happen if we talk about it and support it so lets do that!!

Thanks for reading
